How to Deal with Social Media

Let's read this episode and write our thoughts

It seems that lately, people have been receiving messages on their smartphones from strangers.

Mother

That happened to me as well.

Kouki
3rd year Elementary school student

I heard from my friend that someone met someone they got to know through online gaming.

Miki
1st year Middle school Student

The parents looked at each other in surprise.

What do you think this family will discuss after this?

Mother

Father

Kouki　Miki

+1

What can families do to ensure safe use of social media and the internet?
