Night junior high school is for

- Those who could not finish compulsory education for any reason
- Who were unable to fully learn at school due to illness or absences
- Foreign residents who have not finished compulsory education in their home countries

**The school is here to support those with a positive
desire to learn, even starting now.**

At night junior high school,

- There are classes 5 days a week, with 4 hours of lessons each day.
- You will study the same 9 subjects offered at daytime junior high schools.
- Licensed teachers teach classes.
- There are no tuition fees. Textbooks are free of charge.
- Completing all classes mean you have graduated from junior high school.
